

Brief Access Guide (Large Print)

At Hoe Grange we want to make everyone's holiday stay as enjoyable as possible, and are committed to providing suitable access for all our guests, whatever their individual needs.

A copy of our Full Access Statement with exact measurements, together with scaled floor plans for each cabin, can be found on the Accessibility page on our website; printed versions (inc. large text) available on request. Or you can take a [3D virtual tour of our cabins](#)

We aim to accurately describe our facilities and services to give you the confidence to book the right cabin for your specific requirements.

All four self-catering log cabins are rated by VisitEngland under the **National Accessible Scheme**.

Our cabins: Hipley and Rainster have been awarded Mobility Level 2, and **Daisybank** Mobility Level 3

Assisted. All 3 cabins are rated Hearing Level 1 and Visual Level 1.

These two bedroom cabins sleep up to 4 guests and have step free, level entry wet room showers.

Pinder log cabin has three bedrooms (sleeps 6) with level thresholds throughout and is rated Hearing Level 1 and Mobility Level 1. It is suitable for walking frames or small manual wheelchairs, but has a standard bathroom and a small ensuite shower with a step. Please note there is no wet room shower.

Arrival: The cabins are situated on a hill and the vehicle approach to the car park is quite steep, however there is easy level or ramped access from the designated Tarmac car parks directly to the cabin doors.

Easy access: The log cabins are spacious, and have an excellent wheelchair accessible layout, wide doorways and level thresholds throughout. Three of the cabins have a large wet room shower with non-slip floor, grab rails and adjustable shower heads.

Wet rooms:

To make life easier Rainster and Daisybank have Pressalit Care, height adjustable, wash hand basins.

Bedroom furniture can be rearranged or removed if required and wardrobe hanging rails can be lowered. For flexibility Rainster, Daisybank & Hipley have zip & link beds, which can be made up as superkings or singles.

For the hard of hearing there are wake 'n' shake alarm clocks and televisions subtitle capabilities. You can book a Deafgard flashing/vibrating alarm. For the partially sighted door frames and door handles are painted in contrast colours and there are bright reading lamps. We welcome assistance dogs (no extra charge).

Extra Equipment:

To make your holiday as easy and comfortable as possible we offer a wide range of [accessible equipment](#), included free of charge:

- 4 electric Profile Beds (1 with memory foam mattress & cot sides)
- Oxford Advance mobile hoist
- high seated/backed armchairs
- various shower chairs
- bath board and step
- toilet seat riser
- portable hearing loop
- portable flashing fire alarm
- foldable wheelchair and zimmer frames
- rise and recline armchairs
- bed rails and bed blocks
- static shower stool
- perching stool
- portable toilet frame
- portable personal alarm
- monkey pole

In addition to two standard profile beds we have two height adjustable Volker 2080 profile beds with cot sides, (as pictured) one in Hipley and one in Rainster.

To avoid disappointment please reserve all the equipment you require when booking your holiday.

Extra Assistance:

Additional personal care can be arranged, and we can assist you with the hire of specialist equipment, including our own battery powered Boma 7 off-road wheelchair. Designed by a wheelchair user it is easy to operate and fun for exploring the countryside together with family and friends!

General: Wi-Fi is free of charge. The mobile phone signal inside the cabins is variable; a coin-operated pay phone is situated in the conservatory outside the farmhouse for guest use (accessible 24 hours).

There is a small shop selling basic supplies (level access) and a laundry room (entrance with 1 step) in the farmyard for guest use.

Please advise us on arrival if you might need assistance in the unlikely event of a fire. In case of emergency all guests should evacuate to the car park or to the grassed area next to the car parks.

Warm welcome: Both David and Felicity have attended Welcome Host, Welcome All and Welcome Host Plus training and should be able to assist with any guest queries, either before or during your stay. Guest feedback is welcome; action is taken and improvements made where appropriate.

Guests comment on how difficult it is to find good quality disabled accommodation. Don't worry, at Hoe Grange we are passionate about accessibility, and are delighted to discuss any individual requirements so that we can do our best to fulfil them.

Please ask: Everyone is different, so please don't be afraid to ask us for information or to provide something new! We are here to help you make the most of your stay in the spectacular Derbyshire Peak District.
